Theme

1967

It has been said that one opens a good yearbook with anticipation and closes it with satisfaction.

When a person can browse through a yearbook and relive the Prom, the Class Play, the football games, study hall, homeroom, chemistry lab, can hear the whining of the planer in the shop, or the squeak of a certain teacher's shoe, the yearbook has fulfilled its purpose.

Dedication

This year the OSKEY is dedicated to the two men who have helped our class through its toughest years.

In our junior year, Mr. Williams gave most generously of his time to direct our class activities, particularly our Junior Prom.

In our senior year, Mr. Quinlan took on many responsibilities as the advisor to a graduating class; we are indebted to him for his guidance and encouragement at a time when we needed him most.

Words are a poor substitute with which to express our sincerest respect and admiration for these two men.

Activities

Paris By Night

The work was over, and the decorations, which to the tired eyes of the committees had looked sad and inadequate, now lent a gay charm to the gymnasium. In fact, it was no longer a gymnasium; it was Paris by Night.

The couples on the floor were no longer ordinary students for it seemed that they too had become charmed by Prom Night into beautifully gowned ladies and handsome young men.

The atmosphere called for a queen, and a queen we did have—Miss Mary Ann Johnson, who, at the highlight of the evening was awarded by the School Committee the title Queen of the Prom.

Freshman Initiation of 1966

"We, the dippy, dopey, drippy, droopy-drawered, diabolically delinquent members of the freshmen class, bow to you witty, wise, and wonderfully majestic members of the Senior Class, that we may one day be equally as wonderful as you" It's nice to know we're appreciated sort of makes up for the time we were "dippy, dopey freshmen."

The biggest highlight of the Christmas season this year was the Holly Ball. Entertainment was provided by Dick Wright and his Orchestra.

The Holly Ball this year was attended by one of the largest group of students in years. It was considered to be another success by the Seniors.

Organizations

The National Honor Society

The National Honor Society at F.H.S. this year consisted mostly of seniors and was under the fine guidance of Mr. Roger Rainville. The purpose of the Society is to stimulate growth in the characteristics of service, leadership, character and scholarship. This year's group played a very active part in school activities by participating in various discussions and raising funds for scholarships to be given to worthy students.

Treasurer, Daniel Gilmore; Secretary, James Cochrane; Vice President, Garrett Sullivan; Advisor, Mr. Rainville; President, James Baker.

Future Teachers Club

The Future Teachers Club, with Mr. DiLibero as advisor, is opened to any student who is interested in a teaching career.

During the year junior and senior members have the opportunity to participate in practice teaching.

The club was recently admitted as a member of the National Education Association.

Cake Sales are the most popular of the club's fund raising projects. All proceeds acquired from these cake sales are used for a scholarship which is awarded to a senior that is a member of the club at graduation.

Advisor, Mr. DiLibero; President, Patricia Thyne; Historian, Blanche Mazur; Vice President, Susan Kellogg; Secretary, Eileen VanLeeuwen; Treasurer, Susan Loftus.

Commercial Club

The Commercial Club, with Miss Fraser as advisor, is open to all senior business students. The club has sold candy at all home football and basketball games this year. All the money received will be donated towards a scholarship for one of the members in the club.

President, Marena Saster; Vice President, Eleanor Anderson; Treasurer, Lucille Genoa; Secretary, Bernice Blanchard (absent); Advisor, Miss Fraser.

Future Nurses Club

Secretary, Roberta Shaw; Treasurer, Linda Sawyer; Floating Officer, Susan Weaver; Vice President, Jane Maiorana; President, Marilyn Shaw

This past year the Future Nurses Club was active in promoting good will between our High School and King Philip Regional High School. A joint meeting was held in May at our school with speakers giving talks on the various phases of nursing.

Besides this, a catering service for the teachers was sponsored at various times during the year.

Le Cercle Français

The French Club, now in its second year, is becoming more active as it strives toward its goal—to increase knowledge of the culture and civilization of France. The members of the club, students of French interested in accomplishment as well as a good time, have made it possible through a co-operative effort; to bring France and the French people a little closer to home. We hope that support and success will continue in future years.

Secretary, Pat Osborne; President, Gail Shangraw; Advisor, Mr. Kemp; Vice President, Ann Abbott; Treasurer, LeeAnn Roche.

Latin Club

Since its incorporation under the advisorship of Mrs. Kenny, the Latin Club has proved to be one of the more active and progressive clubs of Franklin High. It has sponsored an annual book fair, field trips, lectures, and Roman Banquets for the sake of enriching the cultural knowledge of its members, and in order to provide a scholarship for a deserving Latin student.

IRWAY; Pontifex Maximus, Susan Hancock; Recording Secretary, Linda Publicover; Corresponding Secretary, Anne Shaeffer; Treasurer, Susan Hare; Tribune, Valerie Bamrick; FRONT: Vice President, George Murphy; President, Gino Carlucci.

Art Club

The Art Club is a new club at F. H. S. this year. It was formed because of a keen interest on the part of the art students. The purpose of the club is simply to encourage the pure enjoyment of art while the members share knowledge, ideas, and techniques. The members work on their latest drawing or painting at the meetings. This provides opportunity for constructive criticism from contemporaries.

One of the club's main events for the year was a trip to the Museum of Fine Arts in Boston for the viewing of the Age of Rembrandt—an unforgettable experience for club members.

Mr. Crowley, as club advisor, is always available to offer help, criticisms, and encouragements to the club.

Marshals

The Marshals, consisting of members of the Student Council and elected students, serve the school in many ways. Their most important job is guiding students between classes. Under the direction of Head Marshal John Lavigne and the supervision of Mr. Rose, the Marshals continue to carry out their assignments around the school.

Head Marshal, John Lavigne.

It's Happening

This year, the Student Council sponsored newspaper, "It's Happening", came into print. Editor Bob Davis and his staffs are reporting the news as they see it. With humor mixed in with the facts, the paper has become very popular and should continue to be successful.

Student Council

*Secretary, Linda Silvi;
Advisor, Mr. Quinlan;
Vice President, Tom Cataldo;
President, Art McGuire;
Treasurer, John Lavigne.*

The Student Council has been very active again this year. Along with the Suggestion Box, the Student Council has sponsored "It's Happening," the school's new newspaper which has been a great success.

At Christmas time the Council conducted it's annual drive for funds to purchase gifts for the elderly people of Franklin. This generous act has become a tradition. In the spring the Council sponsored a dance which was a great success and a lot of fun. Finally, through concessions at football games, the Student Council raised enough funds to give its John F. Kennedy Memorial Scholarship to some senior at graduation.

Spanish Club

The Spanish Club got started a little late this year, but has made up for lost time by being very active. Among the things they did, one was to sponsor a Spanish newspaper which was sold to the Spanish classes. They also showed films of Columbia, South America, and planned a field trip for the club at the end of the year.

Chess Club

A first for Franklin High this year was the Chess Club organized by Mr. Kemp and Mr. Beksha, supervisors and Sherie Harding, President. The team had several contests with surrounding towns; although not very successful in winning the matches, everyone had a fine time. A great deal of enthusiasm was demonstrated, and with more experience the team will prosper.

*President, Sherie Harding;
Advisor, Mr. Beksha.*

Weightlifting Club

The Weightlifting Club is one of the most popular clubs among the boys. Meetings are called after school by the director, Mr. Gaura, and are held in the special exercise room in the boy's locker room.

Color Guard

Drill Team

Drill Team

The Drill Team this year consisted of forty girls. These girls worked hard for their performances at the football games. The girls deserve a lot of credit for their work.

Drum Majorettes

The majorettes and color guard march with the Band in all outdoor appearances and provide a smart looking addition to the marching units.

Chorus

The chorus, under direction of Mr. Iacovelli for the past four years, has come a long way. Composed largely of girls, it is now making plans for spring concerts.

Band

The Band, under the direction of Mr. Iacovelli, plays at all football games and rallies. During the winter months, it provides music for concerts, assemblies, and exchange programs with other schools. With the continued interest of the student body, the Band should continue to grow and provide fine music.

SENIOR MEMBERS: Eugene Arnold, Bob Brady, Roger Anstey, Alan Mackintosh, Joe Landry; SEATED: Bill Thayer, Ann Abbott, Kathy Morse, Eileen Takessian, Bob Shea.

Sports

Football

Led by Co-Capts. Art McGuire and Tom Cataldo, the hard-hitting Franklin High football team marched to its second straight undefeated season. In doing so, the squad also captured its second straight Hockomock League title and tied for the Class D crown. The whole season was characterized by a fiery team effort and tremendous support on the part of the fans. Such a season reflects on the fine mentoring of Head Coach Bill Rex and his assistants Jerry Leone and Jim Burke.

The Jayvee team was also very successful and the fighting spirit of the boys, carried over to next year, should insure another unbeaten season.

Golf

Coach Paul Lombardi's golf team faces some tough competition this year. Using the Country Club as the home course, the Franklin team will try for a winning season again this year. With the accurate play of the team members, the High School will be well represented.

SENIORS: Jim Hovey, Bob Short, and Geoff Kitchingman

Tennis

Last year, the Franklin High tennis team showed tremendous improvement over the year before. With the fine play of Captain Walt Dubois and the rest of the team, a winning season this year is assured.

SENIORS: Ron Palumbo, Walt Dubois, Robin Parmenter, and Bob Crandell

Track

Last year, Franklin High experienced its best season in track history. They finished second in the Hockomock League with a 6 and 1 record. Their only league defeat was to Canton High. Their overall record was 7 and 2. This season's record is expected to be better than last year's. With the loss of only a few of last year's Seniors and the fine array of talent in this year's team, Coach Bob Gaura and the Panther trackmen will be gunning for their first undefeated season.
